BERRY COMPLIANT HAND PROTECTION

The ColdWork™ Ghost Liner is engineered for those who operate in the most demanding tactical environments. Designed with precision and resilience, this liner provides unmatched insulation and comfort, ensuring operational effectiveness even in the harshest climates. The advanced materials used in the Ghost Liner offer superior thermal regulation and moisture management, crucial for maintaining peak performance during extended missions. With its streamlined design, it fits seamlessly under uniforms or gear, reducing the risk of bulk or impediment. Equip yourself with the ColdWork™ Ghost Liner and gain a strategic edge in the field.

FEATURES

- 1 Softshell Construction:** The laminated 4-way stretch nylon woven face fabric provides enhanced durability and protection against inclement weather. This ensures you stay comfortable and dry, no matter the conditions.
- 2 Touchscreen Capability:** Stay connected without compromising warmth. The capacitive touchscreen-capable leather-reinforced index finger and thumb allow you to use your devices seamlessly.
- 3 Enhanced Durability:** A leather palm patch offers added durability, ensuring your gloves last through tough tasks and rough conditions.
- 4 Convenient Drying:** The built-in leather pull tab with a carabiner loop makes it easy to hang your gloves to dry after use, keeping them in top condition for your next adventure.
- 5 Water-Repellent Coating:** The durable water-repellant coating keeps moisture at bay, so your hands stay dry even in wet environments.
- 6 Fleece Lined for Warmth:** Enjoy the cozy warmth of fleece lining that traps heat, keeping your hands toasty even when the temperature drops.
- 7 Maximum Dexterity:** The pre-curved construction allows for maximum dexterity, providing a natural fit and exceptional grip for all your outdoor activities.
