WELCOME TO VITL SURFACES

Where curated design solutions, expert guidance, and a seamless process come together to create extraordinary results. Our approach is fresh, forward-thinking, and confidently built to help you bring your design vision to life with clarity and purpose.

At VITL, delivering the perfect surface solution isn't just our job, it's our passion. It's the details that bring your space to life. The defining element that transforms a project from functional to unforgettable. We offer a comprehensive range of products including tile, luxury vinyl tile (LVT), quartz, and a full range of setting materials, making VITL your single source for complete project solutions. From floor to wall to countertop, we bring design continuity, performance, and simplicity to every part of your project.

We don't simply distribute products, we curate them with commercial segments in mind. Our collections are hand-selected by our team of experts who understand what exceptional design requires and what commercial performance demands. Proven winners in both style and durability, every selection is chosen with intention for its quality, character, and ability to define a space.

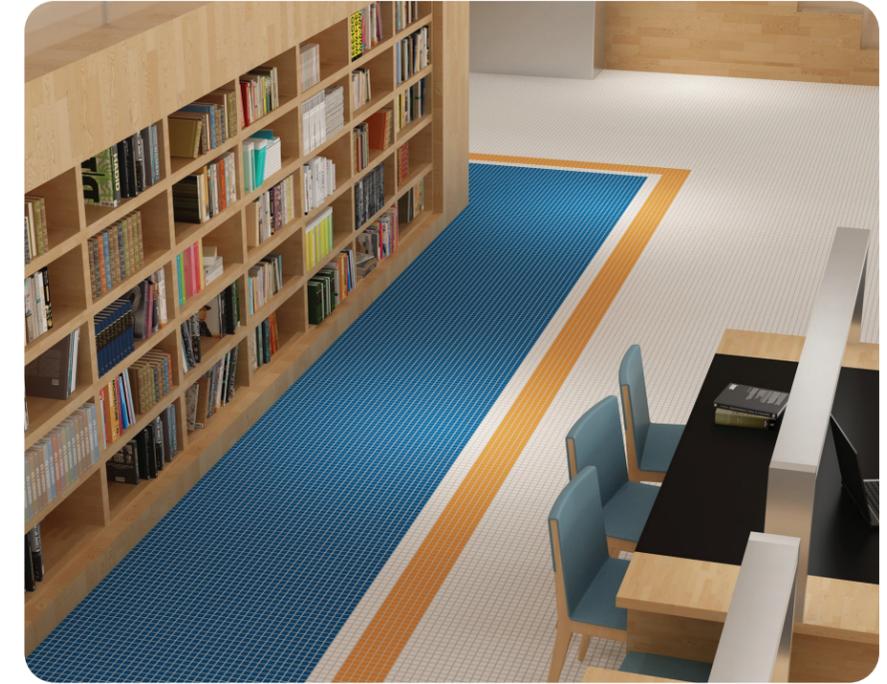

As one of the leading surface distributors in the country, we partner with designers, specifiers, contractors, and project managers who are shaping the future of commercial design. Our knowledgeable team supports you at every stage from early concept to final installation offering expert guidance, design insight, and innovative tools that make sampling, sourcing, and ordering seamless.

VITL Surfaces offers a national reach with operational support from Artivo Surfaces, at a scale to deliver anywhere in the country on time and on budget. From boutique build-outs to national rollouts, we're your trusted partner for projects of every size.

VITL EDUCATION

Our comprehensive surface solutions for education environments are purpose built to meet the demands of today's campuses where durability, safety, and design flexibility are essential.

From bustling hallways and active classrooms to cafeterias, restrooms, and student common areas, our commercial-grade tile collections are engineered for heavy traffic, frequent cleaning, and long-term performance. Available in an expansive palette of colors, sizes, and textures, our materials empower institutions to reflect school pride, foster a sense of community, and elevate the campus experience. Custom patterns, logos, and colorways offer a unique opportunity to showcase your school's identity right from the ground up. With slip-resistant and low-maintenance options, our surfaces promote safety while supporting modern design goals. Many of our products also align with LEED and WELL standards, helping schools and universities meet sustainability benchmarks without compromising on aesthetics or durability.

BENEFITS

SPACES TO LEARN & GROW
Environments designed to foster learning and encourage receptive mindsets.

DURABLE
Engineered for heavy traffic, frequent cleaning, and long-term performance.

SLIP RESISTANT
Safe flooring options that meet DCOF recommendations for public spaces.

LOW MAINTENANCE
Easy to clean and hygienic.
