CONTENTS:

62 I SPY Cards • Match Pad

OBJECT OF THE GAME:

Be the player with the most matching I SPY Cards at the end of the game.

SET-UP:

- 1.** Shuffle the I SPY Cards and place the deck face-down in the middle of the play area.
- 2.** Place the Match Pad by the I SPY Cards so that it is within reach of all players.
- 3.** Draw one I SPY Card and place it face-up next to the I SPY Card deck.

HOW TO PLAY:

- 1.** The youngest player begins the game by flipping over an I SPY Card from the top of the deck and placing it face-up in the play area.

2. If the I SPY Card matches another face-up I SPY Card, the first player to touch the Match Pad and shout out "match!" wins that pair of I SPY Cards. That player places matching I SPY Cards in a stack in front of them. If no players can find a matching pair of I SPY Cards, all drawn I SPY Cards remain face-up in the play area making sure no Cards overlap.
3. Play continues clockwise with the next player flipping an I SPY Card and all players searching for a matching pair of I SPY Cards.

WINNING THE GAME:

Once all I SPY Cards have been drawn and all matching pairs have been collected, players add up their I SPY Cards. The player with the most I SPY Cards is the winner.
