Introducing the IPORT Connect Phone Case for iPhone 15

Say farewell to outdated payment systems and embrace seamless transactions with the IPORT Connect Phone Case for iPhone 15. Imagine your retail associates moving freely around the store, completing sales with ease and without being tied to a counter. This isn't just a phone case—it's a revolution in retail efficiency. Designed to magnetically connect the IPORT Connect Phone PayCase, this case securely holds your dedicated payment device, turning your iPhone into a mobile point-of-sale powerhouse. Built tough yet elegantly, the Connect Phone Case meets MIL-STD-810H 516.8 standards, providing military-grade durability to handle the demands of daily use.

But that's just the beginning. Charge your Connect Phone Case with the IPORT docking station, capable of holding up to 6 Phone Cases with iPhones and 6 PayCases with payment devices, ensuring your team is always ready to assist customers on the go. The combination of iPhone, IPORT Connect Phone Case, PayCase, and payment device offers unparalleled flexibility, enabling your staff to take payments anywhere on the retail floor.

PRODUCT FEATURES

KEY FEATURES

One-Piece Quality Design

A textured MIL-STD-810H 516.8 rugged case that provides durability to withstand the hustle of retail life.

Embedded MagSafe

Connect your IPORT Connect Phone Case magnetically to a compatible MagSafe charger.

USB-C Adapter

Flexibility is key. Detach the connector when you don't need it. Adaptability at its best.

Individual Buttons

Separate, tactile button openings for that perfect click. We know you love the feel of precision.

Internal RFID Tag Cavity

Keep your RFID tags secure and your payment processes seamless. Because efficiency is everything.

Lanyard Attachment Points

Versatility at its finest. Corner attachment points let you carry your device with flair and ease.

INSTALLATION

Scan the QR Code for installation video. Also located on product box.
