

BACITRACIN ZINC OINTMENTS

FIRST AID ANTIBIOTIC

WeCare Bacitracin Zinc Ointment is a topical antibiotic designed to help minimize the risk of infection in minor cuts, scrapes, and burns. The premium bacitracin and zinc formula acts as an antimicrobial agent to help inhibit the growth of bacteria. This high-quality ointment is available in convenient single-use packets for effortless kit-packing, and easy-open tubes and jars for quick application. WeCare Bacitracin Zinc Ointment is ideal for a wide variety of settings including first aid and emergency, long-term care, and at home.
