Assembly struction **Item#AJC-9362**

Thank you for purchasing this quality product. Be sure to check all packing materials carefully for small parts that may have some loose inside the carton during shipment.

***Caution: Please read all instructions carefully before starting the assembly process. These parts are cumbersome and heavy.

Two people are recommended in order to be much easier to assemble this product and make it tight.

If you are uncertain of the methods of installing electrical wiring and lighting fixtures, please enquire the services of a qualified licensed electrician for help.

Assembly Step:

1. Please attach Cross Bar (B) to Outlet box(A) with Screw (C).
2. Please connect the wire and then cover the tie-in with Wire nut (D).
3. Please install lamp body(F) to Cross Bar(B) with screw(E).

NOTE: DON NOT EXECEED RECOMMENDED WATTAGE.
