CUBE SERIES

CUBE43 | CUBE63

SOLD AS EACH

Designed for versatile integration of small speakers for a wide variety of applications with as limited environmental impact as possible. With no ceiling or wall mounting required, these compact, free standing speakers pack a powerful punch in a sleek modern cubic design. With a dual active and passive woofer design, accompanied by a small coaxially mounted tweeter, these small footprint speakers cannot simply be described as full range. Crafted by our team of engineers, the Cube Series speakers deliver impressive frequency response, wide dispersion, astounding output, and the same high quality sound that James is dedicated to providing.
