# Lighted Mirrors

**SUPERIOR**  
TO TRADITIONAL  
VANITY SCNCES

Bring abundant, bright light into bathroom designs without adding fixtures. Smooth lines, unparalleled brightness, superior reflectivity and seamless integration with a broad suite of customization options make Séura's lighted mirrors perfect for every design project.

**Built in the USA**

Designed and manufactured in Wisconsin, Séura Lighted Mirrors are created upon order - enabling an unmatched level of control and craftsmanship with each and every mirror.

**Industry Best Lead Times**

Now shipping in as little as 3-5 business days for standards and typically 10 business days for custom designs.

**Lifetime Silver Mirrors**

Copper-free 1/4" silver mirror glass is not susceptible to black edge corrosion

**Brilliant LED Technology™**

All Séura lighted mirrors feature Brilliant LED Technology, which offers superior brightness compared to traditional fluorescent lamps and LED tubes.

**Ultra High 95+ CRI**

The higher the CRI (Color Rendering Index), the more natural the lighting environment. Séura is leading the industry with 95+ CRI LEDs.

**3000**  
Kelvin

**Natural Light Temperature**

Color temperature of 3000K offers comfortable, clear and enhancing light.
