

Salter 3pc Chopping Board Set Fsc 100%

BW072811EU7

Please retain instructions for future reference.

Care and use

Before using your chopping board for the first time, it is essential to wash it by hand, as it is not safe for dishwasher use. Immediately after each use, rinse the board under warm water and allow it to dry in an upright position. To tackle stubborn odours, sprinkle coarse salt over the board's surface and rub it with a sliced lemon, then rinse again under warm water and dry upright. To maintain the wood's quality, it is advisable to occasionally apply a small amount of food-grade oil using a soft cloth. If these care instructions are followed, Salter offers a five-year guarantee, which assures the replacement, substitution, or refund of any product that fails due to faulty workmanship or materials. Please note that this guarantee does not cover damages resulting from accidents or misuse and is in addition to your statutory rights.
