3 Heavy Duty Scourer Pads

POWERFUL & LONG LASTING

Spontex Heavy Duty Scourer Pads
are powerful and long lasting. Thanks to
their anti-grease technology, the scourers
don't retain grease and stay cleaner and
efficient for longer. They are ideal for
tackling burnt on food and grease in ovens
and BBQs, and many other tough jobs too.

DID YOU KNOW?

These
pads
can
be cut up if
you need different
sizes for specific
tasks.

*When it comes to the environment, at
Spontex we don't throw in the sponge!*

*100% of the fibres used in our Heavy Duty Scourer Pads are
recycled. These scourers can be washed and reused multiple
times. When they are no longer fit for their intended use why not
find them a new purpose like scrubbing bins. This packaging is
100% recyclable, so don't forget to pop it in your recycling bin.
