

## Clear Storage Bins

Versatile | Portable | Stackable

Efficiently organize essential supplies inside cabinets, drawers, and more with our collection of clear plastic storage bins. Enjoy quick access to medication, bandages, safety needles, syringes, specimen collection cups, and other items.

### Features:

- Organize supplies for quick, easy access
- Versatile, portable, and stackable
- Ribbed bottom and non-slip rubber feet keep items in place and prevent sliding
- Molded of durable BPA-free and chlorine-free polycarbonate plastic
- Select from four sizes: Small, Medium, Large, Extra-Large

## Four sizes accommodate a variety of essential supplies

In situations where every moment matters, using these clear storage bins allows caregivers to quickly locate the medical supplies they need.

A perfect fit for our wall-mounted workstations and storage cabinets, this collection of clear bins is designed with versatility in mind. Select from four sizes to accommodate medication storage and other caregiving essentials, helping to keep everything neatly in place across shifts.

Molded of strong, virtually unbreakable polycarbonate plastic, these clear bins are stackable and portable too. Easily transport items from supply rooms, the pharmacy department, and restocking carts or carry to a patient's bedside.
