## CUT RESISTANT IMPACT GLOVES

On the drill floor, cotton is king. We built our M-Pact® Cotton Grip work gloves with an absorbent cotton palm and printed silicone grip for drillers in the oil industry.

The palm side is protected with an internal layer of ANSI Level 4 cut-resistant fabric to prevent punctures and lacerations on the job. High-impact environments require impact protection you can trust, so we designed our M-Pact® Cotton Grip gloves with full-coverage TPR that meets ANSI Level 2 impact standard.

### FEATURES

- 1 Comfortable stretch-elastic cuffs create a secure fit.
- 2 Anatomical TPR impact protection meets ANSI Level 2 impact standard.
- 3 Breathable TrekDry® material helps keep your hands cool and comfortable.
- 4 Hardwearing Armortex® thumb-saddle reinforcement.
- 5 Absorbent cotton palm with printed silicone grip.
- 6 Internal cut material protects your palm and fingers with ANSI A4 blade-cut resistance.
