

Dog Portable Gry Table Top Ironing Board

LA031176DFEU72NDS

Please retain instructions for future reference.

Care and use

To ensure the longevity and optimal performance of your ironing board cover, please follow these care instructions: wash at a maximum temperature of 30 °C, and refrain from using bleach, tumble drying, or dry cleaning. When ironing, do not exceed a temperature of 200 °C and wash dark colours separately. For light soiling, simply wipe the cover with a soft, damp cloth. In terms of ironing board maintenance, clean the legs with a damp cloth and run a hot steam iron over the cover prior to its first use to achieve a crease-free finish. Please remember that it is important never to leave a hot iron unattended or resting face down on the cover.
