

DATASHEET

I PORT CONNECT Case for iPads

The CONNECT Case redefines iPad mobility, delivering unmatched versatility, protection, and connectivity. Built on a powerful platform, it enables seamless holding, charging, protecting, and connecting of iPads across diverse environments. Designed for durability, it withstands drops up to 2 meters, while the integrated Case Lock enhances security. For added convenience, users can attach hand or shoulder straps, ensuring comfort on the go. The sleek, symmetrical front bezel offers a refined aesthetic, complementing its USB and network data connectivity for a fully integrated experience. As part of the IPORT CONNECT family, the CONNECT Case sets the standard for mobile business solutions

COMPLETE THE SOLUTION

CONNECT Dock:

The I|PORT CONNECT Dock offers a fast, reliable solution for charging iPads in Connect Cases, with PD fast charging ensuring minimal downtime in hotel, desk, or back-of-house settings.

CONNECT MultiDock 6 IPAD:

The CONNECT MultiDock 6 charges up to 6 iPads at 27W per device. Its magnetic alignment system, spill-resistant design, and modularity ensure flexibility and future compatibility.

CONNECT MOUNT ACCESSORIES:

The I|PORT CONNECT MOUNT family offers secure iPad mounting solutions for any environment, with every mount compatible with the I|PORT PoE+ Network Adapter for hardwired power and data.
