INDOOR LIGHTING INSTRUCTIONS:

1. Open fireplace damper fully to make sure that your fireplace has enough draft to avoid smoke buildup. Make sure you have no down draft.
2. Place one fire starter on the grate, add wood on top, and light the corners of the bag.
3. Close screen in front of fireplace.

OUTDOOR LIGHTING INSTRUCTIONS:

1. For best results, place fire starter on a bed of kindling or on a well-ventilated grate.
2. Stack seasoned firewood over the fire starter in a log cabin-style structure.
3. Light each corner of the bag.

⚠ WARNING: Contains Petroleum Distillates. Keep out of reach of children and pets.

WARNING: This product can expose you to carbon monoxide, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
