L U X U R Y T I L E C O L L E C T I O N

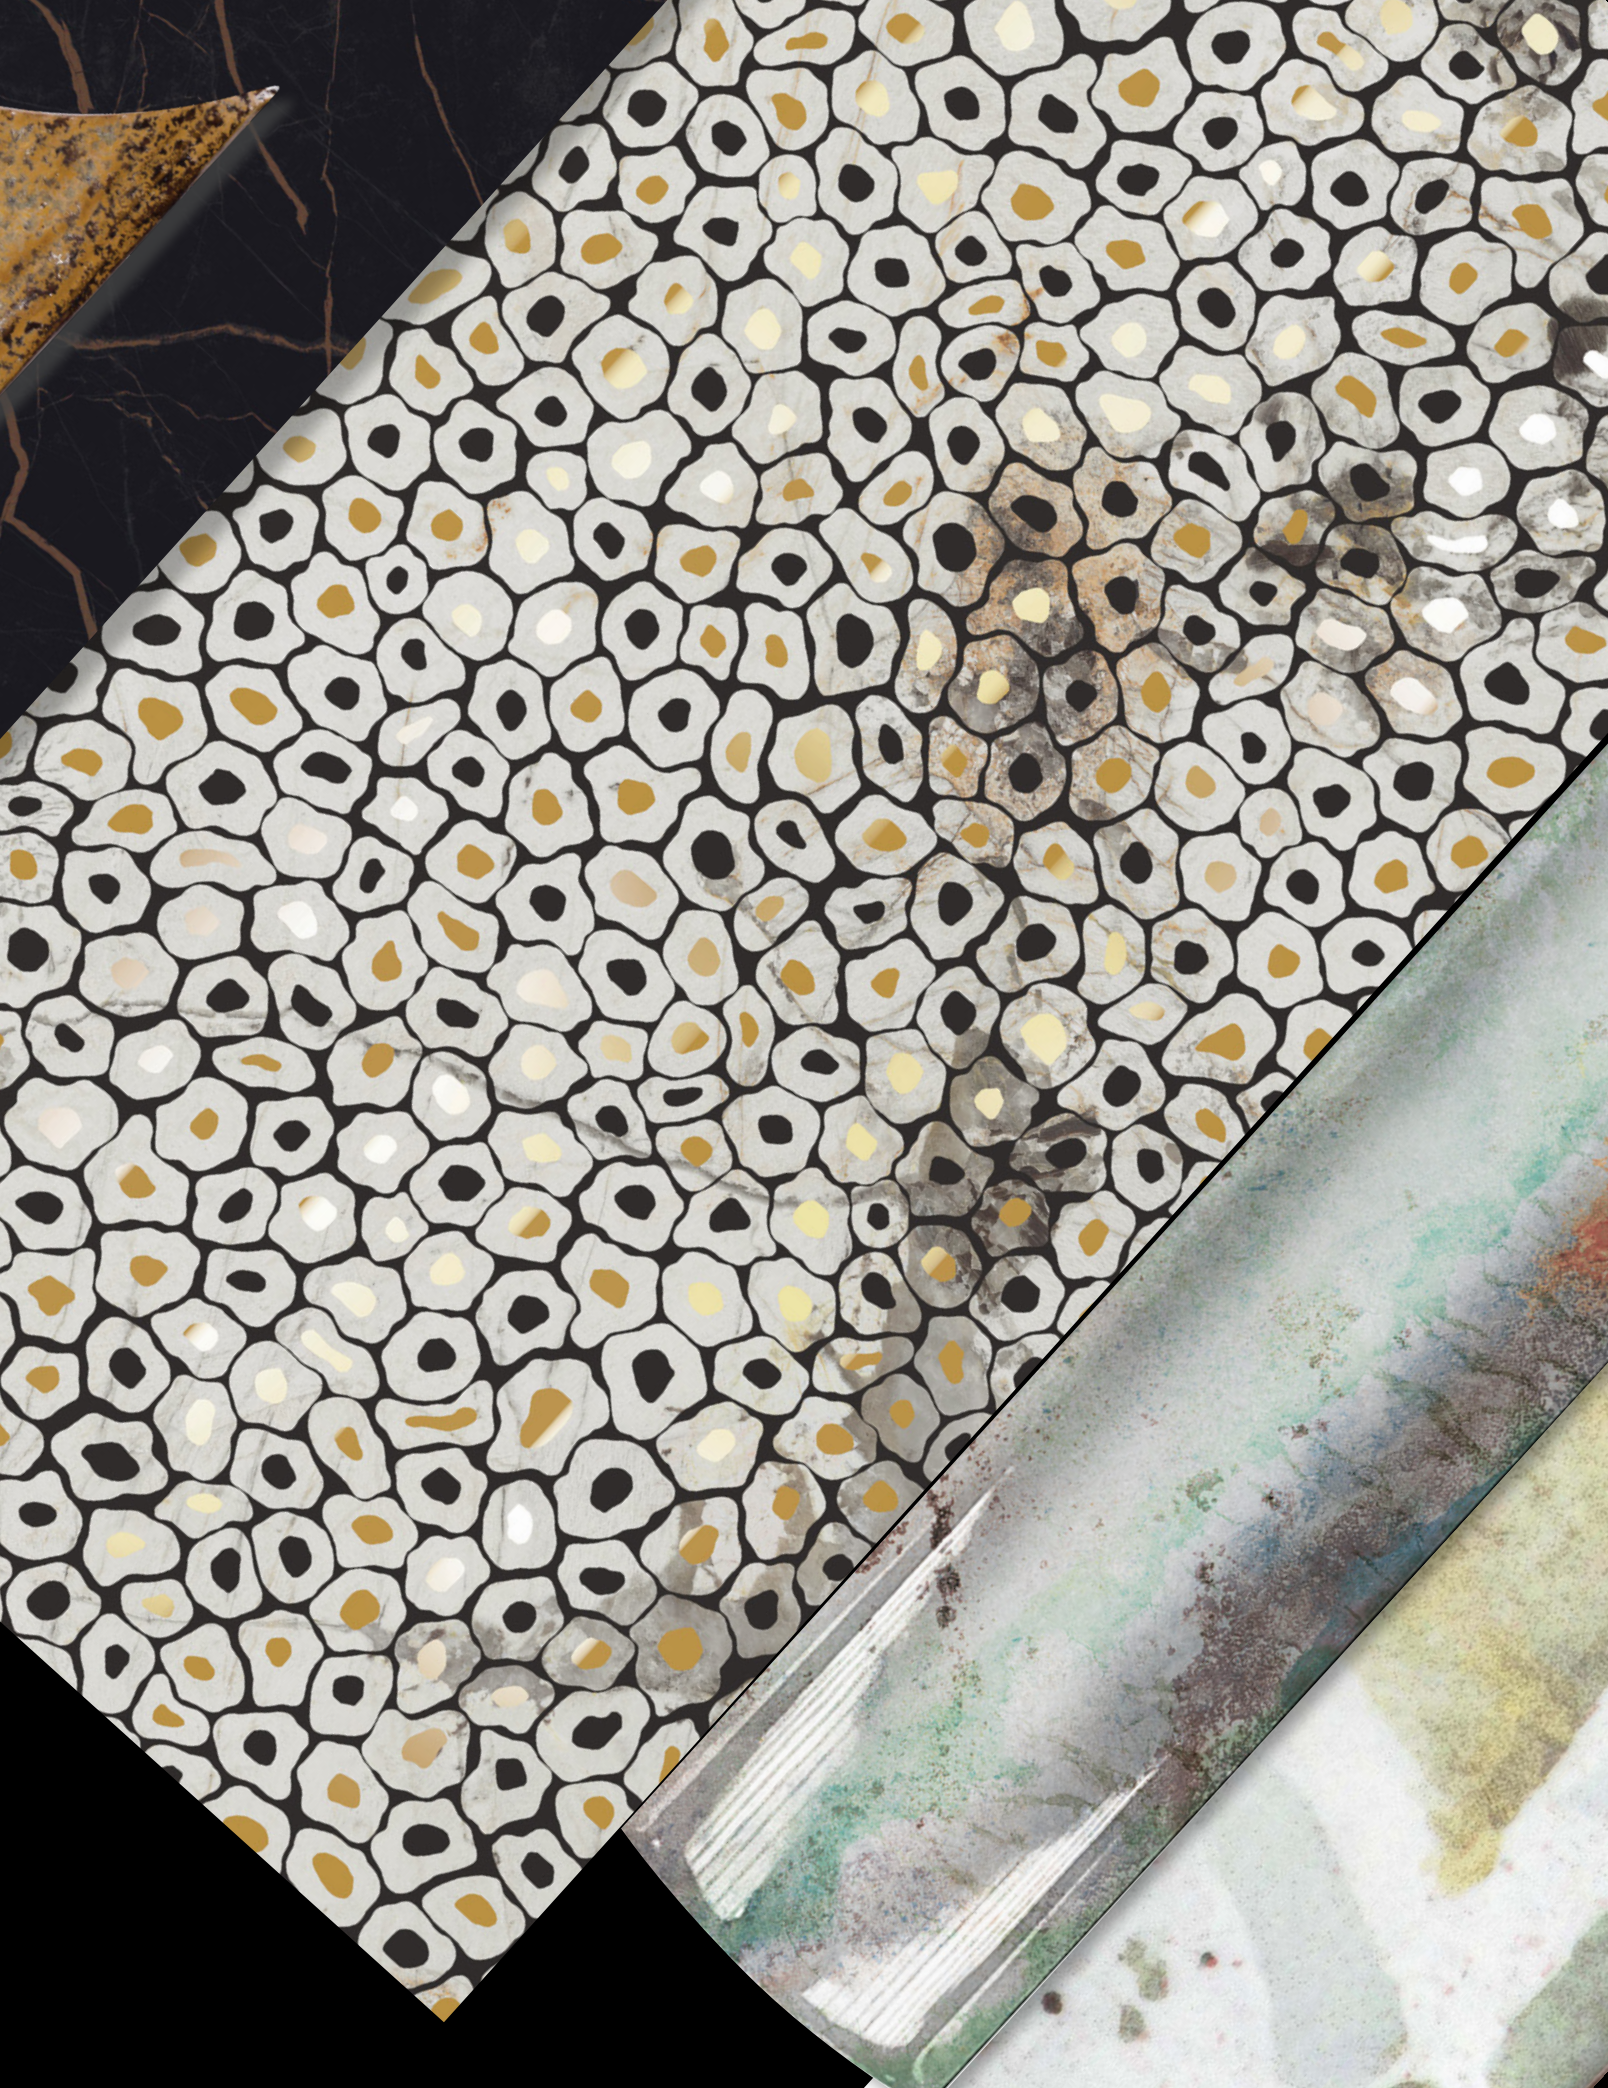

LUXURY TILE COLLECTION

A crafted-on-demand curated collection of elevated designs that provide endless opportunities to design beyond limits.

Design is a work of passion. Creating spaces that are as beautiful as they are functional requires careful thought and planning to ensure the proper mix of form and functionality is achieved.

This challenge inspired E by Emser Tile™. This collection offers a vast selection of colors and styles, making every installation as unique as its owner. Each series is a remarkable example of the fusion of functionality and design.

Take a look inside and become inspired by a small selection of the countless possibilities available. There are truly no limits to the level of design and personalization that can be achieved with E by Emser Tile™.

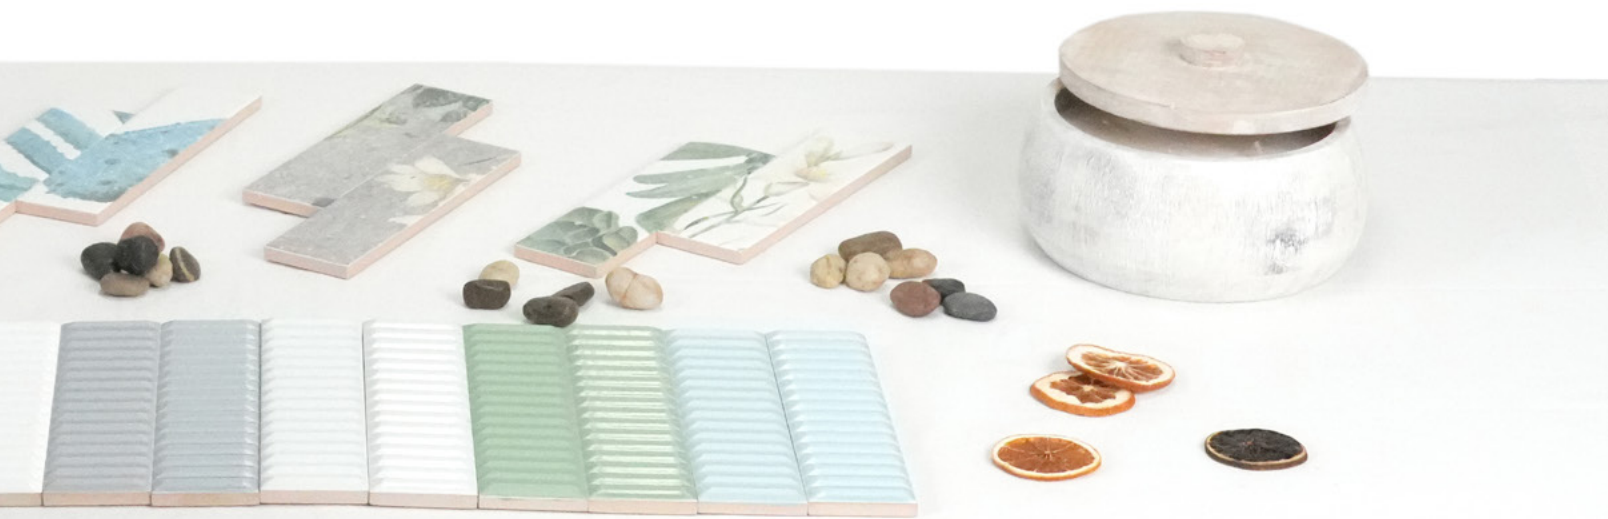

Design is a work of passion. Creating spaces that are as beautiful as they are functional does not happen by accident.

Careful thought and planning must take place to ensure the proper mix of form and functionality is achieved. Even then, the results may not always come out as expected.

E by Emser Tile™ was inspired by this challenge.

This collection offers a vast selection of colors and styles making every installation as unique as its owner. Each series is a remarkable example of functionality fusing with design.

READY TO SHIP

Experience unparalleled convenience with Emser Tile™'s in stock program designed to meet the urgent needs of your most time sensitive projects. With a curated selection of our best-selling E by Emser Tile™ products, **Express ensures that your projects stay on track without compromising on style or quality.** Simply look for series with the Express logo to find products that are ready to ship, providing the perfect solution for maintaining luxury design while meeting your deadlines with ease.

Product and Installation Details | ANSI A108.02 Section 4.3.8.2 - For running bond/brick joining patterns utilizing tiles (square or rectangular) where the side being offset is greater than 18" (nominal dimension), the running bond offset will be a maximum of 33% unless otherwise specified by the tile manufacturer. If an offset greater than 33% is specified, specifier and owner must approve mock-up and lippage.

Piante™ features an array of intricate floral and botanical designs that evoke the elegance of classic wallpaper, bringing a touch of timeless beauty to any space. Each tile creates a stunning visual impact that transforms walls into works of art. Perfect for adding a charming, vintage-inspired look to any room.

Ribbella™ 3D grooved extruded porcelain wall tile was inspired by geometric and minimalist lines with an Art Deco flair. These tiles feature delicate grooves that create a sense of movement, bringing life and dynamism to walls. The high gloss on select grooves enhances the visual effect, playing beautifully with light and shadow to add depth and dimension. Available in five design-forward colors, this collection will transform any space into a work of art.

Rue™ is a striking blend of rustic charm and modern artistry. Featuring a reactive glazing with a subtle metallic sheen, Rue brings depth and dimension to any space. Its linear format is elevated by unique curves and grooves, creating a handcrafted feel with elevated edge. Available in rich, versatile colors, Rue offers a fresh take on texture and form. The beauty of this product lies in its perfectly, imperfect, handcrafted look – where no two pieces are exactly alike, adding authentic character and charm to every surface.
