

POP-VAC®

CR CONCENTRATE JARS

Patented Pop-Vac® jars are specifically designed & developed to extend the life of your cannabis.

Our glass concentrate jars with proprietary sealing gasket & snappy user interface “POPS” when the vacuum seal is made and released.

Customers can't get enough of this auditory feedback that lets them know their goods are protected by the highest quality jar available on the market.

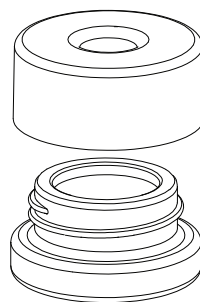

Pop-Vac® concentrate jars are industry proven to keep moisture & terps in and oxygen out. Meaning your concentrates will stay as fresh as the day they were packed.

Now available in three sizes to meet state regulations & the needs of the industry.
