Turbo Brush

Now available: fits ProTeam's standard S wands and wands with tool couplings

Ideal Use:

- Medium to High Pile carpeting
- Walk Off Mats

CLEANING FOR HEALTH | HIGH PILE | MANEUVERABLE

Turbo brush **easily glides on carpet** removing dust, allergens and pet hair. The brush tool neck connects to "S" shaped wand couplings like other 1½" floor tools.

Turbo brush connects to **ProGuard® Wet/Dry Vacuums** for use on walk off matting. High CFM on ProGuard wet/dry vacuums enables pick up of ice melt and moisture on loaded walk off mats. (ProGuard 10, 15, 16, 20)
