

SPEEDKNIT™ HEAT SLEEVES

HEAT RESISTANT ARM PROTECTION

When things heat up under the hood, slip on our Kevlar® Heat Sleeves to protect your arms from cuts and burns. Our Heat Sleeves are built with 100% Kevlar® for critical heat resistance meeting an ANSI A3 and CE Level D cut level. Each 18" sleeve features thumbholes for a secure fit and is machine washable.

One size fits all, sold in pairs.

FEATURES

- 1 Includes two 18" sleeves with designated thumbholes.
- 2 100% Kevlar® construction provides critical heat resistance as well as ANSI A3 and CE Level D cut resistance.
