Write a Review

The Milwaukee M12™ 600 MCM Cable Cutter delivers jaw-dropping cable cutting power in a compact portable package. Using a break-through powered ratcheting mechanism and superior blade geometry, the M12™ 600 MCM Cable Cutter cuts through large cables with ease leaving a clean, installation ready cut. The compact size and scissor style jaws enable cutting in crowded panels without looping, ratcheting or long arms freeing up precious space. Service Electricians, DataComm technicians, Utility Contractors, Demolition Crews, Repair Technicians and Commercial electricians will all benefit from

SHOW MORE

### "love it"

**PROS** Fast Long Battery Life Simple to use

**CONS** Heavy

#### BEST USES

**Comments about M12™ Cordless LITHIUM-ION System M12™ 600 MCM Cable Cutter Kit:**

I am a journeyman electrician 16 yrs this cutter is easier & 10 times faster than ratchet cutters. Has battery gauge on side. The cold weather has not drained the battery like the older li ion batteries did. I don't regret buying this new toy

**BOTTOM LINE** Yes, I would recommend this to a friend
