# 2-IN-1 FOLDING SCRAPER UTILITY KNIFE

| Item # | Inner | Master | UPC | Packaging |
|---|---|---|---|---|
| W707 | 6 | 48 | 039564158896 | Carded |

- Rugged zinc alloy body with a non-slip TPR cushion grip provides superior durability and comfort for hard to cut materials
- Patented dual-function mechanism seamlessly shifts from a standard utility knife to a 45° or 90° scraper for removing gaskets, paint, and adhesives
- Folding design locks in place to ensure safe operation when open and compact storage when folded
- Integrated pocket clip and lanyard hole for easy portability
- Tool-free blade thanks to a quick release button allows for fast, effortless blade replacements (keep hands/fingers away from blade)
- Unique internal rotating head transforms the utility blade into a scraper with a simple slide-and-shift
- Includes five super sharp notched SK5 steel replacement blades
