BERRY COMPLIANT HAND PROTECTION

Mechanix Wear® introduces two new M-Pact® protection gloves that meet the Berry Amendment requirements. The new line of Berry Amendment M-Pact® products are built with materials sourced and sewn in the USA and continue to deliver the same rugged protection expected from any Mechanix Wear M-Pact® glove.

Built with advanced G-Form® SmartFlex™ padding technology the Berry Amendment M-Pact® gloves deliver lightweight, flexible impact protection against the many hazards that today's armed service and law enforcement personnel face in the field.

FEATURES

- 1 Sourced and sewn in the USA
- 2 G-Form® SmartFlex™ advanced padding technology that stiffens, absorbs, and redistributes the energy from an impact minimizing potential injuries
- 3 Quick-drying and breathable mesh keeps hands cool and comfortable
- 4 Digitally textured goat skin leather palm infused with a moisture management technology, reducing absorption of water and sweat while staying soft and form fitting
- 5 Touch screen compatible index finger and thumb
- 6 Ergonomically designed and vibration reducing reducing palm patch
- 7 Molded silicone wrist strap for secure fit
- 8 Carabiner loop for storage and drying

INTENDED USES

- Military
- Law Enforcement
- Maintenance & Repair
