- For your safety, read instructions completely before beginning installation.
- If in doubt about electrical installation, consult a licensed electrician.
- Turn off electricity to fixture before replacing the bulb(s).

TOOLS REQUIRED

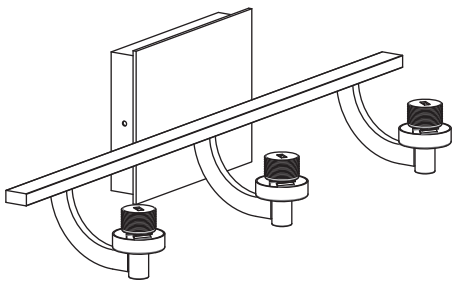

CARE AND MAINTENANCE

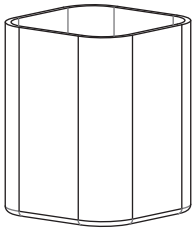

- Glass shade is delicate, care should be taken when handling and installing.
- When securing the shade, do not over tighten the socket collar or possible cracks may occur in the glass.
- The glass shade may loosen over time, please periodically check the socket collar without over-tightening.
- Wipe clean using soft, dry cloth or static duster. Always avoid using harsh chemicals and abrasives to clean fixture as they may damage the finish.
