Gainsborough FERRO

Stainless steel & durable
Timeless designs

Gainsborough Ferro Collection comprises of superb quality internal and external hardware made from stainless steel.

Proven to be more resistant to corrosion when exposed to salt spray, than other door hardware materials.

Made from 316 marine-grade steel, our Enchant or Allure internal levers and the Trilock Omni Pull Handle range are a perfect solution if you live in the coastal areas of Australia, or simply seek highly durable and timeless designs for your home.
