

## SKINCOTE PROTECTIVE DRESSING APPLICATOR

### ITEM 1506

Dynarex Skincote Protective Dressing Applicators help shield skin from irritation caused by adhesives, medical tapes, and external devices.

- Designed to provide a protective barrier between adhesives, tapes, and skin
- Applies easily to skin with a pre-moistened, foil-packed applicator
- Adhesives and ostomy appliances adhere to protective plastic layer, not skin, for optimal comfort.
- Does not need to be removed when changing bandages or appliances
- 50 per box, 20 boxes per case
