

Collapsible Laundry Basket

LA034816BEU7

Please retain instructions for future reference.

Care and use

To use the laundry basket, begin by removing all packaging materials. Unfold the basket by placing one hand into the base while using the other hand to gently pull the outer rim upwards. Utilise the basket as needed, ensuring that it is empty and clean before collapsing it for storage. To collapse the laundry basket, push down on one side of the rim until it folds, then continue by pushing round the edges until the basket is fully flattened.

Made in **China**.
