

# ESPRIT LEFLAIVE

## 2021 SAVIGNY LES BEAUNE PREMIER CRU, LÈS VERGELESSES

### WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses. Domaine Leflaive has been entirely a family domaine since its creation. Brice de La Morandière, great-grandson of the founder, Joseph Leflaive, represents the fourth generation at the head of the domaine. In 2015, after an international corporate career, he succeeded Anne-Claude, pioneer in biodynamics. It is with the same philosophy of respect for the great terroirs, humility toward the forces of nature and relentless pursuit of excellence in viticulture and in winemaking that the domaine will continue to grow in the future.

### WINE

A selection of unique wines, Esprit Leflaive was born in the 2018 vintage. At the crossroads of fabulous terroirs from Burgundy and an expertise in Chardonnay and Pinot Noir, Esprit Leflaive ventures beyond the Côte de Beaune and the Mâconnais, to Chablis and the Côte de Nuits, to explore the wider Burgundy.

### VINEYARDS

This Premier Cru vineyard is on the northern part of Savigny-

les-Beaune, a commune known primarily for its range of red wines. In fact, 90% of the production in this area is reds, although beautifully mineral whites of top quality can be found. This is a perfect example, sourced from this top appellation near the border with Pernand, having great mineral tension with the material underneath to round it out for aging.

### VINTAGE NOTES

The 2021 vintage faced challenging weather conditions. After a cold winter, March warmed up significantly, leading to early bud development. However, subsequent frost, followed by cool and rainy weather through July, slowed growth. August brought needed warmth, allowing grapes to mature by early September. Despite these challenges, harvest in late September yielded promising maturity levels, suggesting a satisfying vintage.

### WINEMAKING

Manual harvesting, pneumatic pressing and alcoholic fermentation in oak barrels. Aged 12 months in oak barrels (including 20% new barrels) then 6 months in stainless steel vats.

### TASTING NOTES

Floral nose announcing an elegant and subtle wine. The palate is full and complex. The finish is very harmonious.
