

Science Shepherd Physical Science Homeschool Curriculum

Scope & Sequence

Chemistry

Topics

- Atoms and subatomic particles
- Molecules
- The Periodic Table
- Chemical bonds
- States of matter and physical change
- Chemical change

Physics

Topics

- History of physics
- Gravity
- Motion
- Tension
- Friction
- Buoyancy
- Lift
- Electricity
- Magnetism

Astronomy

Topics

- Distances in space
- The sun
- Planets
- Stars
- Other celestial objects
- Galaxies and nebula
- Creation and naturalism models of universe origins
