Plum Apparel Collection

The Plum Collection was designed to offer a calming yet distinct aesthetic, supporting a tranquil and secure environment for healing. The 55/45 cotton/polyester blend combines patient comfort and durability with ring-spun Champion Cloth fabric for a smooth hand.

PAJAMA SHIRT & PANT

Safety-focused design features metal snap closures, no pockets, hemmed necklines, and short elastic strips to help reduce ligature risk.

PATIENT GOWN

Hemmed neckline & metal snaps eliminate binding and ties to reduce risk. IV sleeve with metal snaps adds functionality without compromising safety.

Color-coded tab simplifies size identification and sorting.

- Light Blue - Petite
- Yellow - Small/Medium
- White - Large/XL
- Royal Blue - 2XL/3XL
- Red - 5XL
- Green - 10XL

Spice Apparel Collection

The Spice Collection introduces a warm, earthy tone that creates a welcoming environment while maintaining safety-first design. Made from a 55/45 cotton-polyester blend, our ring-spun Champion Cloth fabric delivers exceptional durability with a smooth, comfortable feel for patients.

PAJAMA SHIRT & PANT

Designed to help reduce ligature risk. The pull over shirt features a hemmed neckline. The pant waistband has short elastic strips and plastic snaps. There are no pockets on the shirt or pant.

Available in Large and 3XL sizes in Champagne Blue color.

Other Apparel

Purpose-built for behavioral health settings.

BITE RESISTANT ARM GUARDS (SHORT & LONG)

Kozane® Strongwear provides discreet, lightweight, and comfortable staff protection, effectively reducing the severity of injuries resulting from bites or scratches on the forearms, as well as inside and back of the hand.

Features thumb hole for an improved fit.

Short and Long Unisex sizes: S and L.

SAFETY SMOCK

Humane Safety products are made of rugged Quadlan quilted with 1" box stitches to deter shredding and tearing. Material is water resistant to shed soiling.

Hook and loop shoulder and torso adjustments for easy application, and will fit most up to jacket size 60.

Modesty tab for a legged appearance.

Unisex: OSFM

Sheeting

Comfortable. Durable. Safe.

VERSATILITY® FITTED SHEETS

Patented stretch-and-recovery weave creates an innovative fitted sheet alternative.

No latex, spandex, or elastic to reduce ligature risk.

Centium Core Technology® delivers a soft cotton exterior with a core of unrivaled microfilament strength.

60% Ring Spun Cotton/40% Centium Microfilament.

Wide range of sizes.

KNIT FITTED SHEET

Knitted material to accommodate for size variations.

Hemmed openings, so there is no latex, spandex, or elastic to reduce ligature risk.

Size is 32" x 91" x 13.5".

KNIT FITTED SHEET

Woven fabric with four-way stretch.

Hemmed edge replaces binding, so there's no elastic, reducing the ligature risk.

Available in a variety of sizes and colors.

Blankets

Designed with patient safety in mind.

TEAR-RESISTANT BLANKET

Tear-resistant 100% nylon shell provides strength and security.
Channel quilted design.
Patient facing fabric is a soft 100% polyester microfiber for improved comfort.
Filled with high quality hollow siliconized polyester fiber.
Size is 56" x 80".

SAFETY BLANKET

Humane Safety products are made of rugged Quadlan quilted with 1" box stitches to deter shredding and tearing for improved patient safety.
Material is water resistant to shed soiling.
Size is 60" x 85".
