## EYEWEAR PROTECTION

Vision Type-X safety eyewear deliver comfortable protection with its impact-resistant polycarbonate full frame design geared towards protecting workers in the most rugged work environments. The premium materials Vision Type-X are built to ensure long lasting durability and enhanced protection while the addition of advanced anti-fog technology on its dual lenses ensures moisture free and clear visibility all day long.

### FEATURES

- 1 Wrap around design for unobstructed depth of view and comfort.
- 2 Advanced anti-fog lens coating dissipates fogging six times faster than basic anti-fog.
- 3 Scratch resistant coated polycarbonate lenses provide clarity and protection.
- 4 Ventilated temples for increased airflow, keeping you cool throughout the day.
- 5 Tough full frame style for rugged environments.
- 6 Soft co-injected Thermoplastic Rubber (TPR) temples ensure secure, comfortable, non-slip fit.
- 7 Soft co-injected TPR nose pad for secure fit and comfort.
