## TECHNICAL INFORMATION

V3 Moderate  
Variation

While the colors present on a single piece of tile will be indicative of the colors to be expected on the other tiles, the number of colors on each piece may vary significantly.

Water Absorption:  
<0.5%

Water Absorption: <0.5%

Frost Resistant

Recommend offset  
pattern  $\leq 33\%$

Modifying the traditional 50% offset used in a brick pattern to a maximum of 33% - which doesn't affect the look of the pattern - when installing tile 18" or larger, will manage lippage.

DCOF:  $\geq 0.42$

Ready Ship

# CARE AND MAINTENANCE

## PORCELAIN CARE & MAINTENANCE

---

### INITIAL CLEANING

Proper cleaning after installation is essential for future maintenance. Remove excess grout using clean water and a sponge. If grout leaves behind a white haze, it can be wiped off using a clean cloth after grout has cured. Stubborn residue may require the use of a grout haze remover solution or neutral detergent. Thoroughly rinse the area with clean water and dry with a clean towel or wet vacuum.

### ROUTINE MAINTENANCE

Immediately wipe up any spills and clean the area using a damp cloth or sponge. Remove loose soil using a broom or vacuum. To remove stubborn surface debris, use a scraper or putty knife. Wipe the area with a PH-neutral and soapless cleaner. Rinse with clear water and wipe dry to prevent residue. Do not use cleaning wax, oil-based cleaners, ammonia, sealants, or products containing acid or bleach for routine maintenance. Avoid using abrasive cleaning products such as steel wool.

**VIRGINIATILE**

Design that shapes living.

Good design is born of creativity and imagination, but as we build and renovate, update and expand, the materials we select will define the quality of the spaces we live in beyond what meets the eye.
