

DYNACARE

gallant disposable

PREP RAZORS

Dynarex Gallant Disposable Prep Razors feature a stainless steel blade and an open design for a clear view of the shaving area. Designed for ease of use, they require only light, gentle pulling for effective hair removal.

- Stainless steel blade for efficient shaving
- Open design provides an improved view of the shaving area
- Requires light, gentle pulling for effective hair removal
- Ideal for prepping prior to procedures such as ECGs
- Disposable for single-use convenience
