Before You Begin

For best results, start with clean dry hands. Cover your work area.

Note: You will use the same origami fold for each creature. Follow the pictures carefully as you match, fold, and crease your paper.

If you are having trouble with any of the origami steps, ask an adult or older friend to craft with you.

Decorate

Follow the pictures to make a matching set, or mix them up to create your own wild animals!

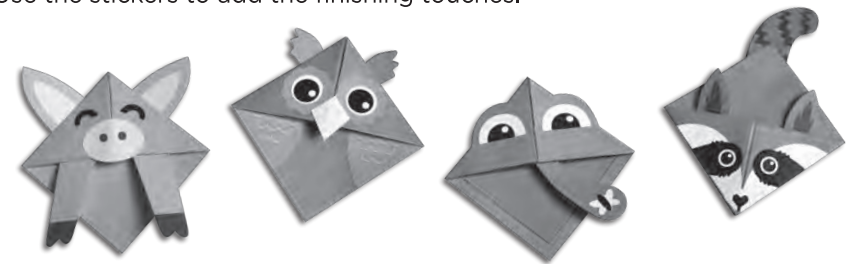

Lay your bookmarks with the pocket side facing up.

Select an animal and carefully punch out its accessories - the shapes are labeled to help guide you. Use the glue stick to attach the shapes. Work carefully so you do not glue your bookmark closed.

Use the stickers to add the finishing touches.

Set them aside to dry. Slip finished creatures over the corner of your page to mark your spot.
