## CRC Extreme Duty Open Gear and Chain Lube

### Power through the toughest conditions.

When your equipment faces harsh environments, trust CRC Extreme Duty Open Gear and Chain Lube to deliver unmatched protection. This heavy-duty, extreme-pressure lubricant is engineered to reduce friction and wear, even under the most demanding loads. Resistant to heat, pressure, and weather, it won't wash off, wear away, or break down—even after repeated workings. Designed for open gears and chains, CRC Extreme Duty Open Gear and Chain Lube keeps your machinery running smoothly, extending life and minimizing costly downtime.

#### Features & Benefits:

- **Reliable Under Extreme Conditions:** Maintains performance in heat, cold, and wet environments.
- **Exceptional "Stay-Put" Characteristics:** Penetrates metal pores and resists washout from weather.
- **Prolongs Equipment Life:** Reduces friction, wear, and costly downtime.
- **Black Color for Coverage:** Ensures proper application and easy touch-up.
- **Wide Temperature Range:** Effective from -25°F to 350°F (-31.7°C to 176.7°C).

#### Use On:

- Open Gears
- Chains
- Cables
- Wire Ropes
- Quarry and Mining Equipment
- Fifth Wheels of Tractors and Trucks
- Leaf Springs
- Drive Chains
- Screw Threads
- Flexible Couplings
