GAME RULES

SOLO PRACTICE PLAY

Roll 3 balls per frame and write down your score for each frame. Complete a total of 12 frames and add up the score for all of the frames. Try to beat your high score and work to get better scores each time you try.

2 PLAYER GAMES

Regular Game Rules - Each player rolls 9 balls to complete the frame. Write down the score for each player's frame total. Player number two rolls 9 balls after player 1 completes the frame and adds up their total. Repeat for 12 frames and add up the total scores to see who the winner is

TEAM PLAY

You must have an equal number of players per team. Game play will be the same as above with the TEAM using ONLY the best individual score from all of its players scores per frame.

QUICK GAME RULES

Follow the rules above except players get to roll 3 balls per frame.

KING OF THE ROUND

Both players roll 5 balls per frame and add up the score for each frame. If players tie for the frame, redo that frame. The winner of each frame gets 1 point. Repeat for 12 frames. There are a total of 12 points or rounds to be won. If there is a tie in the number of rounds won, there will be a round 13 roll off to determine the winner!

HIGH ROLLER "100" RULES

Only the 100 point scoring section is used for this game. The first player to land 3 balls into the 100 circle is the winner.

HIGH ROLLER "50" RULES

Same rules as above but only the 50 scoring section is used. The first player to land 3 balls into the 50 circle is the winner.

TARGET CHALLENGE

Each player rolls 5 balls per turn. The object of the game is to land as many balls as you can into a scoring target per frame. The "10" scoring area will not count! The player with the most landed targets for the frame gets 1 point. Repeat for 12 frames and add up the rounds won to determine the winner. If there is a tie in the frame, you redo the frame. There are a total of 12 points or rounds to be won. If there is a tie in the number of rounds won, there will be a round 13 roll off to determine the winner!
