- **STUDENT SCHOOL DESK AND CHAIR SET:** Makes for the perfect addition to any classroom for students from elementary through high school or a convenient home school desk for remote classes
- **HEIGHT ADJUSTABLE LEGS:** Fits the needs of hardworking students of all sizes, and the legs feature adjustable glides that keep the desk from wobbling on uneven floor surfaces while protecting floors when desk is moved
- **SPACIOUS DESK TOP:** Features a 0.75" thick high-pressure laminate top with a convenient pencil groove, offering plenty of room for your students to spread out their assignments, open textbooks, and write or draw
- **BOOK BOX AND HOOKS:** Under the desktop, a heavy-duty metal book box provides ample storage space for books, writing utensils, and other school supplies, while hooks on both sides allow students to hang their backpacks and jackets
- **ERGONOMIC DESK CHAIR:** Adjustable chair features a contoured plastic seat and back that are slatted to allow for proper air flow and provide all-day comfort, and the durable pedestal frame provides optimal stability
