TIDES HDP High Definition Porcelain

shown on front: **28130 12x24** Sand Castle

Florida Tile's Tides^{HDP} is a stylized interpretation of vein cut limestone known as "Georgette". It is a stunning play of tone-on-tone colors that creates a contemporary aesthetic. Using Florida Tile's HDP-High Definition Porcelain® technology we are able to create a unique tonal blend within the veining to add interest and depth to each graphic.

This glazed porcelain floor and wall tile is available in pressed 12x24 and a rectified 3.75x12 in five color options: Sea Salt, Marine Fog, Sand Castle, Coconut Shell, and Waters Edge.

Also featured in each color is a unique patterned 25-piece mosaic that rotates each chip 90 degrees creating a wonderful checkerboard pattern. A 3x24 bullnose completes the line.

Tides^{HDP} is appropriate for most applications in both residential and commercial settings. It is made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY, and includes pre-consumer recycled content. It meets the DCOF AcuTest® requirements to be installed in wet areas and is GREENGUARD® and Porcelain Tile certified.

Porcelain Technical Data Properties (Floor)	ASTM [®]	ANSI [®]	Results ¹
DCOF AcuTest^{®2}	A137.1	≥ 0.42	Pass
Surface Hardness	Mohs Scale	N/A	7 Mohs
Break Strength	C-648	≥ 250 lbf.	≥ 510 lbf. avg.
Water Absorption	C-373	≤ 0.5%	≤ 0.5% ³
Intended Use⁴	N/A	N/A	Residential Light Commercial

¹ Values are offered in good faith as being accurate and typical of normal production. Due to the natural variation of raw materials and manufacturing processes, the values of the purchased product for any particular installation may vary.

² ANSI[®] A137.1 standard, ceramic tiles selected for level interior spaces expected to be walked upon when wet must have a minimum wet DCOF AcuTest[®] value of 0.42.

³ Average production value.

⁴ Please visit www.floridatile.com/intended-use for further details.

Typical Uses

Tides^{HDP} glazed porcelain floor and wall tile is appropriate for all residential and commercial wall, countertop, backsplash, and most floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI[®] A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED[®] points and the ANSI[®] approved NAHB[®] Green Building Points.

Field Tile Nominal Size (in) ¹	Metric (cm)	Pcs./Sq Ft ²	Thickness ³	Edge
3.75x12	9.5x30	3.27	10mm	Rectified
12x24	30x60	.5	10mm	Pressed

¹ These values may vary from lot to lot.

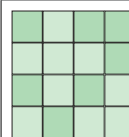

² These values are based on actual sizes including the grout joint.

³ May not apply to textured surfaces or tiles with uneven back patterns such as mesh mounted mosaics.

Trim	Shape	SKU	Nominal Size (in)	Metric (cm)
Bullnose		P43N9	3x24	7.5x60

¹ These values may vary from lot to lot.

Color Variation

V2 Slight Variation

Clearly distinguishable differences in texture and/or pattern with similar colors.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.

Color, texture, and finish variations may occur due to the nature of the product.
