LONG GROVE 56-IN. LED CEILING FAN SATIN BRASS

Frosted White Acrylic

Contemporary

Product Description:

The Long Grove 56-inch LED ceiling fan introduces a satin brass finish paired with white blades and a smooth dome style housing for a fresh contemporary presence. Frosted white glass softens the integrated LED light, which produces up to 1000 lumens, and selectable color temperature options at 3000K, 4000K, and 5000K. A quiet DC motor provides six fan speeds, reversible airflow, dimmable lighting, and 1-hour, 4-hour, and 8-hour timer functions, all controlled through the included remote. Designed for dry indoor spaces, the Long Grove fan offers a refined balance of modern styling and everyday comfort for living rooms, bedrooms, and home offices.
