Mission

Clear Glass

PRODUCT DESCRIPTION:

Add clean, classic style to covered outdoor spaces with the Manchester flush mount ceiling light. A matte black finish and window pane frame create a timeless mission inspired look, while clear glass panels allow the bulbs to shine through for bright, even illumination. The structured design adds subtle detail without overwhelming the space, making it a great fit for porches, patios, or entryways. Its low profile works well in areas with limited ceiling height while still delivering strong visual impact. Damp rated for durability, it uses two medium base bulbs for flexible, everyday lighting.
