Wedgewood Collection

WEDGEWOOD 60-IN. LED CEILING FAN SATIN BRASS WITH DARK ELM BLADES

White Frosted Opal Glass

Contemporary

Product Description:

The Wedgewood 60-inch LED ceiling fan blends warm satin brass accents with rich dark elm solid wood blades for a refined, modern look. Designed for contemporary and mid-century modern interiors, its clean lines and natural materials make it a stylish focal point in living rooms, bedrooms, or damp indoor spaces. A whisper quiet DC motor delivers powerful, energy efficient airflow, while the integrated LED light offers dimming and five selectable color temperatures ranging from 2700K to 5000K color temperatures to suit any time of day. Six fan speeds, reversible airflow, and built in timers are all controlled with the included remote for effortless comfort.
