

#### LANGUEDOC

"La Chevalière," or "the knight's lady," is a reference to "Mas La Chevalière" which is literally the "farmhouse of the knight's lady," the Laroche winery in southern France where this wine is produced.

# **WINERY**

Michel Laroche was one of the pioneers in the resurgence of quality winemaking in the south of France in the early 1980s. In 1996, he created Mas La Chevalière, a state-of-the-art winery on the grounds of a splendid 18th-century guesthouse, with the goal of producing wines that truly reflect the diversity of the Southern French varietals, climate and terroir.

#### WINE

A flagship wine of Laroche in the Languedoc, the Chardonnay comes from a wide range of origins to build complexity in the wine, including: Minervois, Béziers, Agde, Bédarieux, Montpellier and Nimes. A classic signature of Laroche, always delivering fresh and elegant white fruit flavors and delicious acidity.

## **VINEYARDS**

The Orb Valley, in which Mas la Chevalière is located, has various landscapes coming one after another, and they have been all shaped and cultivated for centuries. Vine has been paramount since Antiquity with well-designed plots. The 15-25 year old vineyards are moderated by a maritime influence which provides cooler, fresher conditions. The soil is varied, with clay and limestone predominant.

#### VITICULTURE

"Lutte raisonnée," or "reasoned protection," (using intervention only when required); primarily cordon pruning with fruit thinning and high trellising in the vineyards.

## VINTAGE NOTES

The 2024 Languedoc vintage in Béziers and the Orb Valley benefited from ideal weather conditions - mild winter, warm spring, and steady summer sunshine. Early harvest yielded balanced fruit with bright acidity. Syrah and Grenache reds show depth, while whites display vibrant aromatics. A promising vintage for the region.

#### WINEMAKING

Supervised at the property of origin by the Laroche team; whole bunches are crushed in pneumatic press, then 24 hours settling at 12°C to 15°C (53°F to 59°F) to allow the aromas to be absorbed into the must. 12 days of fermentation at 15°C (59°F) in stainless-steel tanks. No malolactic fermentation. Minimum filtration to preserve maximum natural character of the wine, then bottled under low pressure on a bottling line designed to protect quality.

# **TASTING NOTES**

The Chardonnay has a bright gold color. The nose has hints of white-fleshed fruit and citrus. It is fresh and fruity on the palate with a salty finish. A straightforward Chardonnay with good acidity and minerality.

## **VINEYARD**

Chardonnay

LA CHEVALIERE

LAR@CHE

Region: Languedoc

**Appellation**: IGP Pays d'Oc

Soil: Clay and Limestone

Age: 15-25 years old

Eco-Practices: Sustainable

Solar

# WINEMAKING

Varietals: 100% Chardonnay

Aging: 5 months in stainless-steel tanks,

no barrel aging

## TECHNICAL DETAILS

Alcohol: 12.5%
