

VALO

For those who value both sustainable practices and modern style, the Valo system checks off all the boxes. Made of beautiful, natural oak for a clean, minimalist aesthetic, the collection is endlessly versatile, with GN-compatible pieces that can be arranged in countless configurations and used with your existing buffet setup.

FEATURES & BENEFITS

- Light, appealing oak provides an aesthetically pleasing and universal look to mix and match with other colors and materials
- Compatible polystyrene inserts can be filled with ice for cooling
- Stacking system allows for complete customization to meet any banqueting needs
- Full collection is waterproof
- Wood is hand-wash only, polystyrene inserts are dishwasher-safe
- All APS® Germany products in Libbey's selection are backed with confidence through no-hassle replacements
- GN compatible: Many APS Germany products come in standard GN (gastronorm) sizes, which are of comparable dimensions and usually interchangeable with U.S. food/table pan sizes of the corresponding fraction. This lets you use them with your existing collections. For example, a 1/1 GN roughly corresponds to a 1/1 U.S. food pan.

Valo Beverage Dispenser, 237 oz.
Item No. 14015
