

Rockford Collection

Traditional

Clear Seeded Glass

PRODUCT DESCRIPTION:

Bring classic farmhouse style to covered outdoor spaces with the Rockford flush mount ceiling light. A textured black finish and crisscross frame detail add structure and character, while clear seeded glass creates a warm, inviting glow with added visual texture. The low profile design is ideal for porches, patios, or entryways where ceiling clearance is limited but style still matters. Designed to complement traditional and farmhouse exteriors, it uses two medium base bulbs to provide flexible, everyday illumination. Damp rated for durability, it is a reliable choice for adding both function and charm to your outdoor spaces.
