INFORMATION

ROBERTS® RUG TRACTION™ ROLL Anti-Skid Rug Tape helps to keep rugs and floor mats in place. It is designed with a strong adhesive side that adheres to the back of the rug or floor mats. It also features a non-adhesive, non-skid rubber that delivers great grip and top traction, to keep rugs and mats in place without damaging the floor. ROBERTS RUG TRACTION tape can be cut to size to provide better positioning, is easy to apply and does not require any cleanup.
