

Lumination

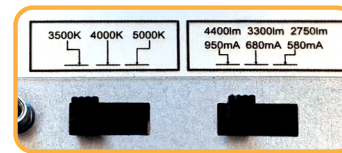

LBP

Back-Lit Flat Panel

Slim, Low Profile

Ultra thin and nonobstructive profile promoting a clean design aesthetic.

Field Selectable

Integral CCT switch allows color temperature to be adjusted on the fly even after in-field installation.

Clean Ceilings Without Breaking the Bank

The Lumination Back-Lit Panel (LBP) features field selectable CCT and lumen outputs to provide maximum flexibility. The LBP comes in three sizes including 1x4, 2x2 and 2x4 to fit any hung ceiling space. The slim design allows for easy installation and perfect fit when space is a concern.

Size: 1x4, 2x2, 2x4
