

INFINIUM® MASON JAR

With the clarity of glass and the durability of BPA-free plastic, Infinium® performs beautifully in high-volume, high-traffic indoor and outdoor venues. And in this authentic mason jar shape, it's easy to create fun, laid-back cocktails in any setting where plastic is preferred. Add a lid to pre-batch drinks and cocktails or shake mixed drinks tableside, enhancing the guest experience

Features & Benefits

- Multipurpose 16-ounce Infinium® plastic mason jar can be used for cocktails, soft drinks, water and more; add a lid to pre-batch drink or mix drinks tableside
- Great clarity so it looks just like glass
- Capacity lines can be used to control pours and manage beverage cost. One side has 100 ml., 200 ml. and 300 ml. capacity lines and the other has oz./cup capacity lines
- Impact and shatter-resistant; resistant to cracking; odor, taste and stain resistant
- Dishwasher durable
- Maintains "like new" appearance even after hundreds of cycles
- Can contain hot liquids at temperatures up to the boiling point and is freezer safe
- 100% BPA-free
