

MPG

Glass Globe Pendant Light

Product Description

The MPG Series presents a fusion of modern aesthetics and classic design elements. Featuring a clear glass globe shade, this pendant light offers a contemporary look that complements any space. The shade can be easily customized with a filament-style LED bulb for added visual appeal. Crafted with a steel canopy base, this fixture is compatible with both flat and sloped ceilings, ensuring a perfectly straight hang. Adjustable downrods are included, allowing for personalized height at installation. The MPG series effortlessly combines modern geometry with timeless materiality, making it an ideal choice for illuminating kitchen countertops or enhancing the ambiance of any room.
