PROFESSIONAL

FLOORING KNEE PADS

110100

SECURE

Now with 25% longer top strap for improved fit and comfort

PROTECT

Extended cushioned top strap helps reduce shock from knee kickers

COMFORTABLE

Soft, neoprene straps won't pinch the back of legs

CONVENIENT

Built-in loops to store a pencil or row finder

Designed for installers, Capitol® Professional Flooring Knee Pads provide superior cushioning, protection and support to the knees. They feature premium-grade neoprene and soft, non-pinching wide straps straps to hold them in place, and a padded upper strap specifically designed for use during knee kicking.
