

STAR WHEEL LOOP PILE SEAM ROLLER

110801

LEVERAGE

Palm rest allows for two-handed pressure

ERGONOMIC

Patented grip allows for two handed pressure

DURABLE

Manufactured with a steel frame for superior durability

OPTIMALLY SIZED

5" head is optimally sized to work with most seam tapes

NON-MARRING

Recessed hardware so it doesn't damage the walls

US Patent No. D-1,082,193

Capitol® Star Wheel Loop Pile Seam Roller is specifically designed for seaming loop pile and Berber carpets. It features star wheels to maximize the transfer of hot-melt tape into the carpet and produce stronger seams. It has a longer handle and palm rest on top of the rugged steel frame to provide optimum leverage and durability.
