Textured Black Metal

PRODUCT DESCRIPTION:

Bring a sleek, modern look and added functionality to your exterior with the Chiasso outdoor wall light. The clean cylindrical design in textured black offers a contemporary feel while casting light both upward and downward for balanced, architectural illumination. A built in dusk to dawn sensor automatically turns the light on at night and off during the day, adding convenience and peace of mind. The integrated GFCI outlet on the back plate provides easy access to power for outdoor needs without disrupting the streamlined design. Wet rated for durability, this fixture is a smart, versatile choice for entryways, patios, and garage areas.
